BLINDS IN GLASS.

YOUR ADVANTAGES IN GLASS:

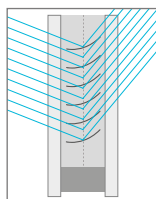

With ISO SCREEN®, the benefits are right in the glass. The blind is perfectly protected from the weather and dirt. Its energy-saving design is used effectively and increases your living comfort:

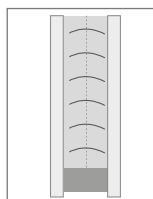

Sun protection

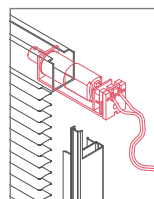

Shading

Guiding

See-through

Replaceable

Our insulating glass blinds have been successfully produced by the long-established company abba **since 1988** and have been distributed exclusively by KUNZMAN GLAS since 2007. With ISO SCREEN® you can rely on our many years of experience, intelligent innovations and proven quality.

Just as distinctive as ever: The **replaceable** drive motor.
